

RCRA REVISION CHECKLIST 46

Technical Corrections; Identification and Listing
of Hazardous Waste
53 FR 13382-13393
April 22, 1988
(Non-HSWA Cluster IV)

Note: This checklist makes extensive technical corrections to the lists of commercial chemical products that are hazardous wastes when discarded (40 CFR 261.33(e) and (f)) and to the list of hazardous constituents (Appendix VIII of 40 CFR Part 261). Because these same lists are also addressed by Revision Checklist 29, States may seek authorization for this checklist without the need to first obtain authorization for Checklist 29.
